

Cyber Security Awareness Program, Cisco Networking Academy, International Girls in ICT Day Event

Date: 24th April 2024

Time: 1.30 PM to 4.30 PM

Venue: CSE Seminar Hall

Resource Person: Dr. Ravi Kiran Varma P., Professor of CSE, Associate Dean (Academics and Training), Head Cisco Networking Academy, SRKR.

About International Girls in ICT Day

The [2020 Global Gender Gap Report](#) from the World Economic Forum (WEF) revealed it will take 135.6 years to close the gap worldwide.

Cisco is celebrating International Girls in ICT Day on 25 April 2024 with a global Learn-A-Thon, to motivate girls and women to consider science, technology, engineering, art and math (STEAM) education and careers.

6-hour self-paced intro course – Introduction to Cybersecurity

This introductory course takes you inside the world of cybersecurity. You will learn cybersecurity basics to protect your personal digital life and gain insights into the biggest security challenges companies, governments, and educational institutions face today. Cybersecurity professionals who can protect and defend an organization's network are in high demand.
