BRINGING YOUR VISION TO LIGHT

Speaker : DR. CHERUKU RAMALINGA SWAMY (NIT WARANGAL)

About workshop :

Our goal is to empower the newcomers with fundamental knowledge of machine learning concepts and applications, sparking curiosity and interest in the field.

Our mission is to foster an inclusive and supportive learning environment where beginners can confidently embark on their journey into the fascinating world of machine learning.

About College :

Sagi Rama Krishnam Raju Engineering College (SRKREC), established in 1980, is a self-financed academic institution of coeducation striving to provide a high quality technical education to engineering aspirants. Being one of the premier and well-established technical institutions of the country, it continues to render service to the nation and the world at large with its alumni holding highly prestigious positions and making substantial contribution.

About Department :

1. Department of Computer Science and Engineering was established in the year 1999 with B.Tech. (CSE) program and with an intake of 40. It has grown by leaps and bounds over the last three decades with intake increased to 300 by 2021. M.Tech.(CST) in the year 2008 with an intake of 16 and increased to 36 by year 2011. The department was recognised as research centre by Jansahadul Sahen Technological University Kalguda (JNTUK) since 2019.
2. The department has all the necessary infrastructure, highly qualified and experienced faculty for a better teaching learning experience to students. The department has well equipped 11 laboratories, 3 research labs, 2 seminar halls, 4 class rooms, and 15 lab rooms. The strength of the department is the faculty with a total of 69 out of which 16 are doctorates, 6 have submitted their thesis, 4 are about to complete their Ph.D., 30 have registered for Ph.D., and the remaining with M.Tech. qualifications.
3. The courses offered in the department meet the requirements of both industry and research. The faculty of the Department are actively engaged in research in the areas of Cryptography, Data Mining, Artificial Intelligence, Bioinformatics, IoT, Machine Learning and Cloud Computing. The faculty members are collaborating with institutions like Bennett University, Netherlands - Hyderabad, TCS Ion and Cyrapring, for research and consultancy. The projects worth Rs. 168 crores, few are completed and the remaining are ongoing which are funded by DST, AICTE, UGC, International funding agencies and sponsored by college.
