

**SRKREC Alumni Associati**

| <b>S.No</b> | <b>Date of the Event</b> | <b>Name of the Event</b>                                                                                          |
|-------------|--------------------------|-------------------------------------------------------------------------------------------------------------------|
| 1           | 8/2/2024                 | A Guest Lecture on " <b>Career Opportunities for Mechanical Engineers</b> "                                       |
| 2           | 9/13/2024                | A Guest Lecture on " <b>Opportunities in ECE Stream</b> "                                                         |
| 3           | 10/18/2024               | A Guest Lecture on " <b>Physical Design Challenges as we move into Angstroms</b> "                                |
| 4           | 10/19/2024               | One - Day Workshop on <b>MLOps</b>                                                                                |
| 5           | 11/5/2024                | One -Day Workshop on“ <b>Your Resume Your Future</b> ”                                                            |
| 6           | 02-12-2024 to 14-12-2024 | Two week Faculty Development Program on " <b>Hands on Practice with Abacus</b> "                                  |
| 7           | 12/27/2025               | <b>1995-1999 Batch CSE Alumnus Silver Jubilee Reunion</b>                                                         |
| 8           | 12/30/2025               | One -Day Workshop on“ <b>Hydrological Analysis and Rainfall-Run-off Modelling using Open Source Tools</b> "       |
| 9           | 1/22/2025                | <b>1995-1999 EEE Alumnus Silver Jubilee Reunion</b>                                                               |
| 10          | 2/15/2025                | A Guest Lecture on " <b>Cooling with Refrigeration - An Innovative Cooling Method for metal cutting process</b> " |
| 11          | 2/21/2025                | Guest Lecture on “ <b>How to Transform an Engineering Degree into a Successful AI Career</b> ”                    |
| 12          |                          | <b>Chalivendram</b>                                                                                               |
| 13          | 7/11/2025                | <b>1996-2000 Batch EEE Alumnus Silver Jubilee Reunion</b>                                                         |
| 14          | 7/12/2025                | <b>1996-2000 Batch Civil Alumnus Silver Jubilee Reunion</b>                                                       |
| 15          | 7/19/2025                | <b>1996-2000 Batch Mechanical Alumnus Silver Jubilee Reunion</b>                                                  |
| 16          | 7/19/2025                | <b>1996-2000 Batch MPIE Alumnus Silver Jubilee Reunion</b>                                                        |
| 17          | 9/13/2025                | Guest Lecture on “ <b>Critical Thinking and Problem Solving</b> ”                                                 |
| 18          | 18-09-2025 & 19-09-2025  | <b>"Induction Program for Freshers."</b>                                                                          |
| 19          | 9/19/2025                | Guest Lecture on “ <b>The Philisophy of Protective relaying &amp; Various Protection Relays</b> ”                 |

|    |            |                                                                                                     |
|----|------------|-----------------------------------------------------------------------------------------------------|
| 20 | 9/20/2025  | Guest Lecture on <b>“Challenges in semicon physical design at lower technology nanometer nodes”</b> |
| 21 | 10/17/2025 | Guest Lecture on <b>“Career opportunities in CSD”</b>                                               |
| 22 | 11/5/2025  | Guest Lecture on <b>“Career Advice : Learn from Experience”</b>                                     |

**on Activities 2024-26**

| <b><u>Speaker</u></b>                                                                                                                      | <b><u>Organising Dept</u></b> |
|--------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------|
| <b>Sri. B.Govardhan</b> , (2016-18 ,Mech), Senior Design Engineer, (R& D, Applied Materials)                                               | Mechanical Department         |
| Sri B.Rambabu, (1992-95 ,ECE), Joint General Manager, Airport authority of India, Hyderabad                                                | ECE                           |
| <b>Mr.J.Balaji Rao</b> , (1995-98 ,ECE), SoC Designer, Intel Technologies Private limited                                                  | ECE                           |
| <b>Smt Sowdhamini Sreepada</b> , (1997-2001 ,CSE), Ex-Principal Data Scientist (Microsoft),Mentor at Preplaced, Trainer at Jain University | CSE                           |
| <b>Sri. Velagapalli Crispi Shania</b> (2013-17 ,EEE), Team Lead & Senior Consultant, Cognizant                                             | EEE                           |
| <b>Sri K.Suresh Babu</b> , Project Lead, Client, Hyderabad                                                                                 | Mechanical Department         |
| Participants : 30 members from 1995-1999 Batch has attended the Reunion                                                                    | CSE                           |
| <b>Dr.PYaswanth</b> , (2010-14 ,Civil), Project Scientist, IIT Madras                                                                      | Civil                         |
| Participants : 25 members from 1995-1999 Batch has attended the reunion                                                                    | EEE                           |
| <b>Dr.Dinesh Setti</b> , (2004-08 ,Mech), Assistant Professor, Department of Mechanical Engineering, IIT Palakkad                          | Mechanical Department         |
| <b>Sri. Ch. Devanand Guru Prasad</b> (2004-08 ,Mech), Director of Data Science, Walmart, Bangalore                                         | Information Technology        |
| Distribution of Water and Buttermilk to all the students and Staff of SRKREC during the Hot Summer Season.                                 | Open Air Auditorium Ground    |
| Participants : 27 members from 1996-2000 EEE Batch has attended the reunion                                                                | EEE                           |
| Participants : 29 members from 1996-2000 Civil Batch has attended the reunion                                                              | Civil                         |
| Participants : 22 members from 1996-2000 Mechanical Batch has attended the reunion                                                         | Mechanical Department         |
| Participants : 28 members from 1996-2000 Mechanical Batch has attended the reunion                                                         | Guest House                   |
| <b>Sri.G.Krishna Chaitanya</b> , (2005-09 ,ECE), Senior Manager, Salesforce, Hyderabad                                                     | ECE                           |
| <b>Dr.Elton Nathan</b> , General Manager (Head), L&D Apollo Health and Lifestyle Limited                                                   | Branches, I-Block, SRKREC     |
| <b>Sri Ch. Srinivas</b> , (2009-13 ,EEE), Assistant Executive Engineer, APTRANSCO                                                          | EEE                           |

|                                                                                                            |                       |
|------------------------------------------------------------------------------------------------------------|-----------------------|
| <b>Sri. M.V.V Satya Narayana (1992-95 ECE)</b> , Senior Director, R&D Solutions Group, Synopsis, Bangalore | ECE                   |
| <b>V.Varun Surya, (2021-25 ,CSD)</b> , Associate Software Engineer, Achala IT, Hyderabad                   | CSD                   |
| <b>Sri. M.Murali Manohar, (2017-21 ,Mech)</b> , Senior Engineer, Bosch India                               | Mechanical Department |
