No Need to change

No need to change

Using real life examples more often

Everything is good

Yes

It would be to have xerox copies instead of observation notes it saves much time and more digital learning (animation)

Thnak you

All good

need industrial visits

Teacher must include industrial things

Experts in subjects

1.if syllabus is more..even though lcd classes are neglected. 2.blackboard teaching is very effective listening by the students

Good

Good in all aspects  
thank you

Teaching was very good . Very happy

I think more creative teaching like using videos and diagrams is helpful and more freetime would be helpful to explore ourselves

explain with real life problem statement, while learning students must know why what which about subject and this can be convey teacher.

No suggestions

Overall quality of teaching is good

Conduct more value added course
